Dear Mr. Campana:

Last September WNYU took a contract with Columbia Records for the combination popular and classical record subscription service. It was to run for one year. A contract and a New York University purchase order were executed to finalized this.

The problem is this. We have received no records since May. Nothing has arrived for the months of June and July and as yet nothing has arrived for August.

We would appreciate your looking into this matter to see if anything can be done to remedy it. We would prefer a refund for the three months during which we received no records or even more preferably, those records which we did not receive during June, July and August.

Sincerely yours,

George Kaplan
